PINNAMANENI VENKATA NITHIN

✉ pinnamanenivenkatanithin@gmail.com 📍 Eluru, Andhra Pradesh, INDIA

PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate with hands-on experience in Java, Spring Boot, Python, C, Figma, and Figma API. Experienced in developing full-stack applications and backend services through academic and personal projects. Built a Java Spring Boot Student Management System and a no-code Portfolio Builder using Figma API. Strong interest in modern software engineering, AI/ML technologies, and enterprise application development.

VIRTUAL INTERNSHIP

User Interface Design Intern Jan 2 - 31, 2026 ShadowFox

- Collaborated with design teams to create user interface components for digital applications.
- Applied UI/UX and design principles to develop visually appealing and user-friendly interfaces.

NOTABLE ACHIEVEMENTS

- Designed a no-code Portfolio Builder using Figma and Figma API with pre-designed templates for customizable portfolio websites.
- Developed a full-stack Student Management System using Java and Spring Boot with backend services for student data management.

PROJECTS

Portfolio Builder Developer

- Designed a no-code Portfolio Builder using Figma and Figma API.
- Created pre-designed templates enabling users to build customized portfolio websites.

Student Management System Full Stack Developer

- Developed a full-stack web application using Java and Spring Boot for managing student information.
- Engineered backend services to efficiently manage student data.

SKILLS

Java | Data Structures and Algorithms (DSA) | Object-Oriented Programming (OOPS)
Database Management Systems (DBMS) | SQL | MySQL | Git | GitHub | Visual Studio Code

EDUCATION

B.Tech in Computer Science and Engineering
SRM IST-Ramapuram
CGPA: 7.71/10

Class XII - MPC
Sri Chaitanya Junior College
AP State Board, N.R.Pet, Eluru, AP - Percentage: 72%

Class X
Sir C R Reddy Public School
Central Board of Secondary Education, Eluru, West Godavari, AP - Percentage: 66%

ACCOMPLISHMENTS

Certifications

- Natural Language Processing with Classification and Vector Spaces - Coursera (2026)
- Data Analytics Job Simulation - Deloitte (May 2026)
- Supervised Machine Learning Course - Scaler
- ServiceNow Micro-Certification - January 2026
